History of Lent

Early Christians felt the importance of Easter called for special preparations. The first mention of a 40-day period of fasting in preparation for Easter is found in the Canons of Nicaea (AD 325). It is thought that the tradition may have grown from the early church practice of baptismal candidates undergoing a 40-day period of fasting in preparation for their baptism at Easter. Eventually, the season evolved into a period of spiritual devotion for the whole church. During the initial centuries, the Lenten fast was very strict but relaxed over time.

During the six weeks of self-examination and reflection, Christians who observe Lent typically make a commitment to fast, or to give up something—a habit, like smoking, watching TV, swearing, or a food or drink, such as sweets, chocolate, or coffee.

Some Christians also take on a Lenten discipline, like reading the Bible and spending more time in prayer to draw nearer to God. Strict observers of Lent do not eat meat on Fridays, often opting for fish instead. The goal of these spiritual disciplines is to strengthen the faith of the observer and develop a closer relationship with God.

The Significance of 40 Days

The 40-day period of Lent is based on two episodes of spiritual testing in the Bible: the 40 years of wilderness wanderings by the Israelites after the exodus from Egypt (Numbers 33:38 and Deuteronomy 1:3) and the Temptation of Jesus after he spent 40 days fasting in the wilderness (Matthew 4:1-11; Mark 1:12-13; Luke 4:1-13).

In the Bible, the number 40 holds special significance in the measurement of time, and many other important events revolve around it.

During the flood, it rained for 40 days and 40 nights (Genesis 7:4, 12, 17; 8:6). Moses fasted on the mountain for 40 days and nights before God gave the Ten Commandments (Exodus 24:18; 34:28; Deuteronomy 9). The prophet Elijah traveled for 40 days and nights to reach the mountain of God in Sinai (1 Kings 19:8).

Lent in Western Christianity

In Western Christianity, Ash Wednesday marks the first day, or the start of the season of Lent, which begins 40 days prior to Easter (Technically 46, as Sundays are not included in the count). Officially named "Day of Ashes," the exact date changes every year because Easter and its surrounding holidays are movable feasts. Thus, observing Ash Wednesday at the start of the Lenten season represents one's repentance from sin as well as Jesus Christ's sacrificial death to set followers free from sin and death.

Do All Christians Observe Lent?

Not all Christian churches observe Lent. Lent is mostly observed the Lutheran, Methodist, Presbyterian, Anglican denominations, and also by Roman Catholics.

The Bible does not mention the custom of Lent, however, the practice of repentance and mourning in ashes is found in 2 Samuel 13:19; Esther 4:1; Job 2:8; Daniel 9:3; and Matthew 11:21.

The account of Jesus' death on the cross, or crucifixion, his burial, and his resurrection, or raising from the dead, can be found in the following passages: Matt. 27:27-28:8; Mark 15:16-16:19; Luke 23:26-24:35; & John 19:16-20:30.
