## A CHRISTMAS STAR

A bright Christmas star sits high on a tree,  
shining its light for the whole world to see.

Reminding us all of a night long ago  
when a star in the sky guided wise men below.

To a small town stable where a gift from above,  
was born on that night to bring the world love.

The light from the star shone down on a child,  
asleep in the manger so meek and so mild.

Shepherds and wise men who came to draw near  
then spread the good news that the Savior is here.

Now the Christmas tree star still leads us today,  
to the birth of a miracle that first Christmas day.

Tom Krause
